

April 29, 2010

Dear valued customers, business partners and friends,

We are just three weeks away from the most important trade show for the sewing industry in the western hemisphere.

SPESA EXPO 2010 will open its doors to the public on May 18.

Dürkopp Adler America is looking forward to this opportunity of showing the latest technology in industrial sewing. With a total of 20 exhibits on a floor space of 1,200 sqft. we are looking forward to welcome you and demonstrate the benefits of our equipment.

Georgia World Congress Center is conveniently located in downtown Atlanta, just about 30 minutes from the airport.

As service is our number one priority we want to be sure to have enough time for discussion and verification of your requirements.

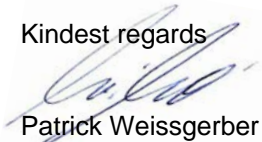

Therefore we offer the possibility to make an appointment online.
Just click [here](#) or use the following link to our online form.
